ENETS 2021 VIRTUAL
11th Postgraduate Course
20 February 2021

SCIENTIFIC PROGRAMME

Time Zone: Central European Time (CET)
11th Annual ENETS Virtual Postgraduate Course

Welcome Letter

Dear Friends and Colleagues,

Welcome to the live and virtual 11th Annual ENETS Postgraduate Course! We hope that this year’s course will once again prove to be informative and stimulating. The aim of this course is to review tips and tricks in NET diagnosis from a practical perspective. We will discuss how to optimise NET management and also present diagnostic and therapeutic challenges in NEN. Finally, we will deal with several challenging clinical scenarios in a live MDT.

The learning objectives will be achieved through short lectures by experts, who will review the best available evidence in the field. There will also be interactive discussions on practical, complex cases by different specialists involved in the diagnosis and treatment of these patients.

As always, ENETS is keen on involving a highly competent and skilled expert panel of speakers from various disciplines. We encourage all participants to take the opportunity to ask questions via the Q+A tool. We value participants’ feedback, as it helps us to design and optimise future courses. Therefore, we would be grateful to all participants if they complete the course evaluation forms at the end of the scientific programme.

Videos of each talk will be made available on My ENETS after the course. Keep up to date with all the news on enetsconference.org.

We are looking forward to welcoming you virtually and hope you enjoy the course!

Best wishes,

Rocio GARCIA-CARBONERO
ENETS Treasurer and Course Organiser

Christos TOUMPANAKIS
ENETS Advisory Board Chair and Course Organiser
Saturday, 20.02.2021

11th Annual ENETS Postgraduate Course

Time: Saturday 10:00 - 16:10
Chair: Rocio Garcia-Carbonero, ESP / Christos Toumpanakis, GBR
(Additional fee, pre-registration required)

10:00 - 10:10 Opening and overview
Rocio Garcia-Carbonero, ESP

Tips and tricks in NET diagnosis (10:10 - 11:15)
Chair: Anna Koumarianou, GRE

10:10 - 10:20 Medical history and clinical presentation
Monica Marazuela, ESP

10:20 - 10:30 Biochemical diagnosis
Emanuel Christ, SUI

10:30 - 10:40 Radiology
Timm Denecke, GER

10:40 - 10:50 Nuclear medicine
Ulrike Garske-Román, SWE

10:50 - 11:00 Pathology
Marco Volante, ITA

11:00 - 11:15 Discussion

Optimizing NET management (11:15 - 12:30)
Chair: Rocio Garcia-Carbonero, ESP

11:15 - 11:30 Loco-regional treatments in NEN: Where do they fit in treatment algorithms?
Philippe Ruszniewski, FRA

11:30 - 11:45 Recent advances in systemic therapy for advanced lung and GEP-NETs - Do they change the treatment paradigm?
Thorvardur Halldidarson, USA

11:45 - 12:00 NECs and MINENs - Optimal characterization and management
Chris Verslype, BEL

12:00 - 12:15 Nutritional support in GEP-NETs: An underestimated “co-worker”
Ulrich-Frank Pape, GER

12:15 - 12:30 Discussion

12:30 - 13:00 BREAK

Diagnostic or therapeutic challenges in NEN (13:00 - 14:15)
Chair: Kjell Öberg, SWE

13:00 - 13:15 Surgery in localized gastroduodenopancreatic NETs: To do or not do? If yes, when and how?
Massimo Falconi, ITA

13:15 - 13:30 Role of theranostics in SSTR-negative NETs
Rodney Hicks, AUS
13:30 - 13:45  **Paraneoplastic syndromes in NETs: Do they exist?**  
*Gregory Kaltsas, GRE*

13:45 - 14:00  **Oomics for dummies - What’s the role in the clinic?**  
*Christina Thirlwell, GBR*

14:00 - 14:15  **Discussion**

---

14:15 - 14:30  **BREAK**

---

**Learn from the experts: Live Multidisciplinary Team (MDT) (14:30 - 16:00)**

Challenging patients’ scenarios discussed by experts and delegates.

Chair: *Christos Toumpanakis, GBR*

**Multidisciplinary Panel:**
- Endocrinology - *Marianne Ellen Pavel, GER*
- Gastroenterology - *Raj Srirajaskanthan, GBR*
- Medical Oncology - *Rachel Riechelmann, BRA*
- Nuclear Medicine - *Lisa Bodei, USA*
- Pathology - *Jean-Yves Scoazec, FRA*
- Specialist Nurse - *Wanda Geilvoet, NED*
- Surgery - *Elisabeth Nieveen van Dijkum, NED*

14:30 - 14:40  **Unusual behavior of G3 NET**  
*Timon Vandamme, BEL*

14:40 - 15:00  **Panel discussion with multidisciplinary team**

15:00 - 15:10  **Choosing the appropriate treatment sequence?**  
*Anna La Salvia, ESP*

15:10 - 15:30  **Panel discussion with multidisciplinary team**

15:30 - 15:40  **NEN heterogeneity and implications of patient management**  
*Kira Oleinikov, ISR*

15:40 - 16:00 **Panel discussion with multidisciplinary team**

---

16:00 - 16:10 **Closing comments**  
*Rocio García-Carbonero, ESP*
