

ENETS 2021 VIRTUAL

18th Annual ENETS Conference
for the Diagnosis and Treatment
of Neuroendocrine Tumor Disease

25 – 27 February 2021

PRELIMINARY SCIENTIFIC PROGRAMME

Time Zone: Central European Time (CET)

Thursday, 25.02.2021**Welcome****Time:** Thursday 10:45 - 11:00**Plenary lecture****Time:** Thursday 11:00 - 11:3011:00 - 11:30 **Immunotherapy in cancer - How to apply immunotherapy in NET****Pathology of neuroendocrine neoplasms****Time:** Thursday 11:30 - 12:4511:30 - 11:45 **New subcategories of NENs: Update on WHO and markers**11:45 - 12:00 **Spatial and temporal heterogeneity in NET: A clue to understand (naïve and chemoinduced) tumor progression?**12:00 - 12:15 **Is the molecular transition from NET to NEC-like clinically relevant?**12:15 - 12:30 **Clinical case discussion**12:30 - 12:45 **Discussion****BREAK****Time:** Thursday 12:45 - 13:30**Oral clinical abstracts****Time:** Thursday 13:30 - 14:45**Surgery and neoadjuvant therapy in NEN****Time:** Thursday 14:45 - 15:4514:45 - 15:00 **Pan-NET and Si-NET - Current role of robotic-assisted resections**15:00 - 15:15 **Pan-NET and Si-NET - How to define locally borderline or not resectable?**15:15 - 15:30 **Pan-NET and Si-NET - Is there a place for downsizing or neoadjuvant therapy in locally borderline or not resectable tumors?**15:30 - 15:45 **Is there a place for surgery in NEC G3?****BREAK****Time:** Thursday 15:45 - 16:00**ENETS / European Society of Endocrinology (ESE)****Time:** Thursday 16:00 - 17:15**Swinging between Hormones and NENs: Cutting-edge Developments**16:00 - 16:20 **Searching for MEN - Unmet clinical needs and challenges in genetic counselling**16:20 - 16:40 **MTC: Current challenges and unmet needs - New players on the stage**16:40 - 17:00 **Management of bone involvement in NENs - Whom, when, what, how much?**

17:00 - 17:15

Discussion

Closing comments

Time: Thursday 17:15 - 17:30

Satellite Symposium I - Industry-sponsored (Confirmed)

Time: Thursday 17:30 - 19:00

Friday, 26.02.2021

Supplementary Programme

Time: Friday 09:30 - 10:30

BREAK

Time: Friday 10:30 - 10:45

Welcome

Time: Friday 10:45 - 10:55

Plenary lecture

Time: Friday 10:55 - 11:25

10:55 - 11:25 **Radiomics in NEN**

Nuclear medicine diagnostic and therapy

Time: Friday 11:25 - 12:45

Functional imaging (11:25 - 12:05)

11:25 - 11:45 **FDG PET for all NET?**
 Debate: Affirmative speaker/Negative speaker

11:45 - 12:05 **Functional imaging as a predictor of PRRT response: What is robust?**

New approaches to optimise treatments for PRRT (12:05 - 12:45)

12:05 - 12:30 **New tracers and combination and sequential therapies**

12:30 - 12:45 **Discussion**

BREAK

Time: Friday 12:45 - 13:30

Recent results from clinical trials and key ongoing trials

Time: Friday 13:30 - 15:00

13:30 - 13:50 **Clinical trials design revisited - Future strategies and endpoints**

13:50 - 14:05 **Clinical trials in Europe**

14:05 - 14:20 **Clinical trials in the Americas**

14:20 - 14:35 **Clinical trials in Asia and Australia**

14:35 - 15:00 **Discussion**

BREAK

Time: Friday 15:00 - 15:15

Carcinoid heart disease

Time: Friday 15:15 - 16:15

15:15 - 15:25	Value of biomarkers for diagnosis and follow-up
15:25 - 15:35	Optimised therapeutic and perioperative management
15:35 - 15:45	Percutaneous or surgical valve replacement - When is the right time?
15:45 - 15:55	Challenges in the clinical management of CHD
15:55 - 16:15	Discussion

Abstracts: Translational research / Basic science

Time: Friday 16:15 - 17:30

Closing comments

Time: Friday 17:30 - 17:45

Satellite Symposium II - Industry-sponsored (Confirmed)

Time: Friday 17:45 - 19:15

Saturday, 27.02.2021**Welcome****Time:** Saturday 10:45 - 10:50**Treatment outcomes****Time:** Saturday 10:50 - 11:50

- | | |
|---------------|---|
| 10:50 - 11:05 | Psychological aspects - Basic conditions and impact of therapy in carcinoid syndrome |
| 11:05 - 11:20 | Treatment outcome in NEN patients based on gender |
| 11:20 - 11:35 | Treatment outcome in NEN patients with diabetes - Basic conditions and impact of therapy |
| 11:35 - 11:50 | Discussion |

Challenges and controversies (ENETS / NextGEN ENETS)**Time:** Saturday 11:50 - 12:50

- | | |
|---------------|--|
| 11:50 - 12:05 | Where is the place for radiotherapy in the management of NEN? |
| 12:05 - 12:20 | NET and pregnancy/fertility |
| 12:20 - 12:35 | Intra-abdominal complications of NET (occlusion, peritoneal, carcinomatosis, fibrosis, ischemia) - How to prevent and how to treat? |
| 12:35 - 12:50 | Effects on investigations and therapy during COVID pandemic |

Satellite Symposium III - Industry-sponsored (Optional)**Time:** Saturday 12:50 - 13:50**Pulmonary NET****Time:** Saturday 13:50 - 15:05

- | | |
|---------------|---|
| 13:50 - 14:00 | Limitations of the new WHO classification |
| 14:00 - 14:10 | Bronchial-NEN - What is the adequate extent of resection? |
| 14:10 - 14:20 | Who should receive adjuvant therapy or therapy for residual disease? |
| 14:20 - 14:35 | Systemic therapy of lung carcinoids |
| 14:35 - 14:45 | Is there a place for immunotherapy in lung NEN? |
| 14:45 - 15:05 | Discussion |

BREAK**Time:** Saturday 15:05 - 15:20**What's new?****Time:** Saturday 15:20 - 16:20

- | | |
|---------------|--|
| 15:20 - 15:50 | Translational NET update - Review of the year |
|---------------|--|

15:50 - 16:20

ENETS abstracts highlights

Awards Ceremony - Best abstracts 2021

Time: Saturday 16:20 - 16:35

Closing comments

Time: Saturday 16:35 - 16:45

European Neuroendocrine Tumor Society e.V. (ENETS)

Langenbeck-Virchow-Haus

Luisenstr. 58/59

10117 Berlin
